Queen of the Night arias from The Magic Flute
Piano Concerto No. 23 - Adagio
Symphony No. 40

Pretty and feminine at one end, gutsy and powerful at the other, with operatic drama in between, we honor Mozart's brilliant, luminous musical qualities - the most enduringly popular of all classical composers. Featuring soprano Amy Lynn Call performing the technically challenging *Queen of the Night* arias from Mozart's most renowned opera and Charleston's own piano prodigy Micah McLaurin "wowing" us through the *Adagio* of *Piano Concerto No. 23*. Maestro Stahl will end the evening with Mozart's well-known *Symphony No. 40*.
